### PrepConnect

The Ontario Science Centre was the location last month for a very useful event for anyone interested in private school education. PreConnect brought together many admissions officers, students and parents for an afternoon reception and showcase of the offerings of more than thirty private schools. There was a great turnout for the event, and many visitors were busy chatting with the school representatives and finding out information about the schools. For more information, please visit <http://prepskills.com/events/private-school-admissions-networking-event-preconnect-2013>
